

## OCEAN MARINE – CARGO COVERAGE

Broad Appetite, Competitive Pricing and  
Quick Turnaround!

### We market, YOU OWN IT

KSS is here to assist you and your clients in securing the most comprehensive coverage at the MOST competitive prices!

With supply chain issues on the rise due to COVID-19, coupled with ever-increasing overseas manufacturing, NOW is the time to think Ocean Marine! Understanding the coverage available and getting your piece of the "premium pie" is a MUST!

### What is Ocean Marine Cargo Coverage?

For exporters and importers alike, shipping goods across seas is a risky operation. Ocean Marine Cargo Insurance in most cases provides "All Perils" coverage for lost or damaged goods during their maritime adventure and domestic transit via truck, railcar, and/or parcel post until ownership is successfully transferred as required by contract.

Additional coverage endorsements for warehouse storage and Processing exposure available!

The Keevily Advantage

## When will supply chains be back to normal? And how did things get so bad?

"Wondering why everything from cars and refrigerators to books and toys is in short supply?

Blame the fouled-up supply chain that connects manufacturers around the world with the makers and assemblers of their component parts..."
